

talk to jean cunningham 1/16/08

service as attorney

--> maybe email to jay at some point, need not be same time as this reporting

expert work - decl only, not testimony

--> ok to classify as consulting when no expectation of oral appearance

<1 day/client

projecs where software does all the work

many similar clients

--> group together, describe in general terms, total time among them

big picture

dialogue

remain productive & healthy

for benefit of faculty who may not understand what are getting into
email to jay fine, faculty relationships important
