Dear Ben,

The Faculty Review Board has reviewed your materials, completed its interviews and evaluation, and drafted a report summarizing our work and findings. Consistent with the FRB guidelines, you now have an opportunity to provide a written response to this document, which we ask that you send us by 5pm on Thursday, October 5, 2017. We then will determine whether the draft should be amended or stand as is; either way, the report at that time will be considered final, and we will provide a copy to you and to the Standing Committee of the Appointments Committee.

Separately, I have let Paul Healy (in his role as Senior Associate Dean for Faculty Development) know where we are in the process; you should feel free to reach out to him with any questions about how this relates to your promotion case.

We look forward to hearing from you.

Best,

Amy
