Dear F024

Enclosed please find a confidential letter requesting your evaluation of Professor Benjamin Edelman for his tenure review. For your convenience, we have also attached a zip file with the material that we would like you to review; all of the candidate's submitted material is located on the AC Site: <https://acsite.ac.hbs.edu/>.

Your letter may be hand-delivered in hard copy to Faculty Administration (Morgan T25) as in the past, or you may submit it to Cynthia Greschler ([cgreschler@hbs.edu](mailto:cgreschler@hbs.edu)) electronically.

Please don't hesitate to contact me if you have any questions or concerns.

Many thanks for your consideration.
