

9/9/15

FRB

* more of a social mentor

- knows little about Blinx (mostly 3rd hand) - Unit discussed it - Guhan + Max
- "misdemeanor + Y"

Protective Order

- 1st class Economist; in the tech world he is unique
- fiercely bright
- strong sense of right + wrong
- when senses something wrong goes after it
- has found a sympathetic ear in [redacted] on tech. - great on substance, low on process

doesn't see
Context

- * - projectors - came across as hard + uncompromising
- like the guy but an acquired taste
- optimistic, analysis, relentless - pushes too far
- restaurant - "100's of emails - who's this creep"
- cold, superior tone -
- he was genuinely chastened by it

Doesn't know - did he cut corners

- needs adult supervision
- a bundle of unique talents

Q: describe his mentorship - who helps him be more effectiveness

- Al Roth (they interacted a lot) - strong, positive ongoing influence
- Jerry Green
- Max
- * Peter Coles, Mike Lucca

Forest

Q: evidence of learning? - yes; sees that context, the people matter

- Benedictnar.org

■

- unsurpassed as a colleague - helpful
- never waked on a project
- open door, willingness to help
- no status issue
- demotional, no/little EA
- always best intentions, not about herself
- when he gets on the mode this isn't right - then goes at it

Restaurant - brought his sense of expertise, but not saying he was Harvard.

- think he gets it now
- took a punch in the face to get it

- But... takes a quiet in the face - 1000's
- took a mfg. w/ Felix, restaurant
- took Linda & Esty in Blind
- took DGC & form of - list of
- always a form of - we
- heart

- He exposes bad behavior + he gives advice -
- he goes after when something is wrong to her

- list of co. in first yr. on wall - x'd out - "these are co. I went after & they went out of bus."

- heart is in the right place
- * - can he do it more sensitively, don't stop him

- a bubble or a bubble - NOM/Be - (NOM - ko)
- beer kolated
- he poses risk
