asked FRB to clarify
accusations they are making

1. Ben or you not under investigation
 - want to understand your concerns
 - sounds like Ben is being investigated
 - AA doesn't even
 - academic freedom being trampled on
 - thinks being accused of acting unethically in filing a lawsuit

12/

- process of discovering the problem
- having decided to go forward w/a class action how did you connect

- questions about his perceptions of risk

~ never about getting permission but never ever sought advice of heads up

~ sees this is an appropriate form of activism

~ shouldn't have to argue reputational risk

- I am the plaintiff & am fully responsible

* - if it stays in report - then makes him uncomfortable

He can't decide when &

• my behavior is always exemplary - I'm acui

~ who signs the tax returns (did 92)

~ friends of Ben

~ doesn't see big picture
