FYI... I have simply skimmed, so far...

I have done two of my 6 interviews. 3 others are scheduled and Francesca has asked if I can wait til her return in September, or perhaps by phone when she has more of a window on her flexibility ... baby has some complications... I don't think she is pivotal.

One of my two interviews wants to canonize our candidate.

The other believes him to be such a genius allowances must be made.

Sigh.

Amy,

As you requested, attached is an expanded "how" document that attempts to clarify some aspects of my March "reflections" submission.

Thanks,
