

9/22/16

Ben E. - [REDACTED]

- July is out -

- acad. tech. steer. comm. mtp. observation

- lectures w/ CANVAS

- section content mgmt. feature

- started to go down same path

- math wizard

- wouldn't let go - yes a legitimate concern,

- email followups

- [REDACTED] - yellow flag

- [REDACTED] - stepped in + said stop - she did

- he latches on to things!

- one year ago he would have not taken to as an answer
he would have continued to stop

- really has a fix ear + appropriateness

- doing some small innovations w/ [REDACTED] - visually impaired
faculty, hearing encouraging things

- don't know if he has a coach

- biggest fear is what happens when he's

- he walks up to the line & backs off - that's better
