on a tear

· browse so surf her course but she wants it closed
· threatening to move her course to dropbox

[redacted] mtg. w [redacted] 12/15

· disparage, mean, dis-ing
· yells about groups, doesn't know what the hell to do.
· hurts student experience
· claims violating copyright

6.) Ben Edelman

· Felix + Linda not at mtg, so like the order not there
· started to go off the rails
· has been
· doesn't know as much as he thinks he knows
· goes off on tangents - course eval. as examples
· dropping in person
· takes sharp in an unproductive path & then
 people turn you out
· you have to be managed back
· unintentionally + well intentioned
· no filter
· can't always stop yourself but bite your tongue more
